Velammal started its journey in 1986 with scant number of students and teachers in Mogappair, Chennai with a vision to deliver quality education in a disciplined, safe, result-oriented environment, is today an educational edifice with lakhs of students, thousands of teachers and institutions spread across Tamilnadu, spanning a spectrum of programs from K-12, Engineering, Nursing and Medicine.

Velammal Vidhyashram established in 2015 at Padappai, nestled in the lap of nature, provides an ideal atmosphere for learners to acquire and imbibe skills necessary for their physical, mental, social and intellectual development. Within a span of four years we have grown fast to cater the needs of about 1650 students from Kindergarten to Class 10. The school is affiliated to CBSE (No.1930721) School's curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs to our students. Our staff consistently follows current trends and in collaboration with administration, creates a plan of action to incorporate those trends that are most appropriate into the classrooms. We have an excellent infrastructure with well-equipped laboratories and library.

Our students are offered many opportunities to explore their interests and investigate new ideas. We offer many clubs, activities, sports and a large variety of extracurricular ventures that our students can participate in. Many of our students are involved in a variety of extracurricular activities that allow them the opportunity to grow at their own pace in a safe, nurturing environment. Our students like Ratinsabhpathy has participated in International Chess tournament and won many accolades. Also Master Rudreswar in Limca World book for being the youngest (age 8 years) to reach Katika waterfalls, and Master Mukund Sriram winning international rank 2, for SOF Math Olympiad in Class 2. Families are encouraged to participate in all areas of the school program that suits their interests and schedules.

We look forward to a year of meaningful instruction and much success.
