- ★ **Play with Confidence:** Self-Confidence and positive mind-set are essential qualities of Champion players. No short cut for this. Learn new techniques, practice more and more...
- ★ **Give your full attention and effort** in every game you play. Calculate as deep as possible in the given time.
- ★ **Play real Chess, not Hope Chess:** Don't make your moves with the hope that your opponent will not see your plan and reply weakly. Plan your moves for the best reply.
- ★ **Are you Fit?** Improve your stamina by doing some regular aerobic exercise and by eating healthy food. One needs to play with enough energy till the last round to become a Champion!
- ★ **Play more Tournaments:** By playing in more tournaments, you will be used to the pressure situation and after gaining enough experience, you could start to play with calm and clear mind.
- ★ **Find your Coach:** A well experienced coach can save you years!! A good coach can understand the strengths and weak points in your game and will guide you with the right material.
