Prince Shri Venkateshwara Arts and Science College

Prince Shri Venkateshwara Arts and Science College was established in 1995 by Prince Educational Society. The dynamic journey of 27 years has made our institution meet the targets which it has set and also caters to the needs of the society in higher education through pro-active orientation behaviour. Our holistic walk began with a strength of 48 students in 1995. Today we have over 2800 students, offering 10 UG courses and 5 PG courses.

Prince Educational Society provides excellent educational services along with its other group of Institutions.

Our college is committed to quality education with an aim to bring about the growth of our students to be talented and responsible leaders in every walk of life, cherishing human values.

The college has a congenial atmosphere with spacious classrooms suitable for teaching, well equipped laboratories, the library consisting of more than 12,000 books, journals and magazines. The library makes use of the library automation mechanism to facilitate easy accessibilities to students and staff.

We use ICT and other visual aids to enhance our teaching methods. Remedial classes and tutorial classes are offered to students to develop a deep understanding about the subjects. The efficacy of our teaching modules is reflected when our students secure University Ranks every year.

We assess the students' strength and weakness through periodic CIA and by offering a number of bridge courses, certificate courses, life skills and vocational training. Our college provides wide range of co-curricular activities to improve learning experience of our students through various clubs and associations and extra-curricular activities to identify and develop their inner talents.

Our college helps students in empowering their academic and career goals by removing the financial barrier through endowment scholarship, merit cum means scholarship and covid support fund.

The placement cell offers intensive focus on placement training to develop students reasoning skills to be placed successfully in MNCs' and Health care divisions.
