Mathakondapalli Model School, called MM School in short, is a CARTE BLANCHE DIGITAL SCHOOL in Hosur, Tamil Nadu. It was established in the year 1999 by a team of few committed social workers headed by Mr. Meru, a child rights activist in education and social development. The team focused on 'child rights' and shared the common concerns in the growth and development of children. In a scenario where many children still did not have access to education, the team debated on the quality of the "education" they will receive when they do go to schools.
